### REMARKS

The Examiner has rejected claim 1 under 35 USC 102(b) as being anticipated by Floyd. After interviewing, the Examiner, applicant's attorney agreed to delete the treatment of "renal dysfunction" from claim 1 to overcome this rejection. It is believed that claim 1, as amended, is now in condition for allowance.

Attached hereto is a marked-up version of the changes made to the specification and claims by the current amendment. The attached page is captioned "Version with Markings to Show Changes Made."
